MAP of the ADDITION TO THE TOWN OF SAN BUENA VENTURA

SURVEYED BY JOHN T. STOW. Town Surveyor

Under Instructions from the Board of Town Trustees

I hereby certify that in making this survey of the addition to the Town of San Buena Ventura I commenced at the initial point as established by Geo H. Thompson in his survey of the Town proper and ran thereupon the course and distances given on the official map of said Town as accepted approved by the Board of Town Trustees of the Town of San Buena Ventura Sept 23rd 1868 to the intersection of the center lines of Main and 4th Streets as a point indicated on this map thus ⊕ From this point I projected the lines as per order of the Board of Town Trustees, Carrying out the same system of ways used in the survey of the original Town by Thompson measuring 400 feet for each Block except Intersections one and a half Granada Street except East and New Main Streets which Each block 300 feet wide. The Course of the Streets being North & South and East & West except those Avenues indicated on this Map

John T. Stow Town Surveyor
